ENCINITAS ROTARY WINE AND FOOD FESTIVAL

At Encinitas Ranch Golf Course, the Encinitas Rotary Club presented a celebration of international wines, spirits, local microbrews, and outstanding cuisine from some of the region's finest restaurants and caterers. Event proceeds benefited more than a dozen local charities, including Amanda Post Foundation, North Coast Singers, Encinitas Rotary Foundation, Rancho Coastal Humane Society, EcoFest Encinitas, and more.

SWING FOR OUR HEROES

The Swing for Our Heroes Golf Tournament at Omni La Costa Resort & Spa began with a presentation of the flags by the Coast Guard Color Guard, as well as a flyover by a Coast Guard helicopter. Since 2017, the tournament has raised thousands of dollars to help two nonprofit organizations strengthen our military communities and improve the lives of our heroes. STEP (Support The Enlisted Project) and United Through Reading are actively responding to the effects of COVID-19 on our military communities. STEP hosts monthly drive-thru distribution events, providing essential items for hundreds of service members and veterans, while United Through Reading's free app is helping keep military families connected through the read-aloud experience.

NAIOP CHARITY GOLF TOURNAMENT

The NAIOP San Diego Foundation's 26th Charity Golf Tournament took place at Fairbanks Ranch Country Club to benefit the 1st Marine Raider Battalion. NAIOP San Diego has been supporting these Marines for more than 15 years, seeing them through deployments and helping them with whatever needs arise. This year's event hosted 144 golfers who enjoyed a day of golf, networking, and friendly competition complete with live music, a bloody mary bar, entertainment by The Wonderbus, craft beer, coal fired pizzas, and fun — all while exceeding their fundraising goal to support the foundation and its giving.

EVA TAKE FLIGHT

A day of fashion with a purpose took place at The Marine Room. Hosted by Tamara Lafarga-Joseph, board president of Visions Global Empowerment, the event included a luncheon, opportunity drawing, and fashion show produced by Myles Hasnain of MJH Studios. Attendees learned about Escuela Vera Angelita, a nonprofit all-girls boarding school opening in February 2022 in the cloud forest of Matagalpa, Nicaragua. Visions Global Empowerment and Escuela Vera Angelita endeavor to break the cycles of poverty by investing in the education of girls who hail from underserved and vulnerable communities across Nicaragua.
